## A Mentoring Ministry to Special Needs Children

*We believe every person should  
have the opportunity to  
experience God's love in action.*

**S.P.I.C.E. Ministry** (Special Person in Christ's Eyes) is a mentor program for special needs children, regardless of learning disabilities, handicaps, or challenges. We aim to provide the best possible environment to experience love and to learn from God's Word at Highlands Community Church. Available at both Campuses, Sundays at 9:30 and 11:10 am and at Awana on Wednesday night. Pre-registration required.

If you would like to schedule an appointment with the **S.P.I.C.E.** team, please call the Children's Ministries office at 425.255.4751 and ask for Jennica Mosser, Elementary Director.
