

UNDERSTANDING
THE BASICS OF

BAPTISM

INTRODUCTION

WE ARE EXCITED THAT YOU WANT TO BE BAPTIZED! THIS IS EVIDENCE OF GOD'S SPIRIT CONTINUING TO LEAD YOU AND DEMONSTRATES YOUR OBEDIENCE TO JESUS. WE LOOK FORWARD TO CELEBRATING AS YOUR CHURCH FAMILY WITH YOU!

In this study we will cover several topics as you prepare for your baptism. We will start with an understanding of the gospel, followed by what sin is, why we need salvation, and ultimately how baptism becomes a beautiful step of obedience once we are saved. If you have any questions please ask your small group leader or call the church office to speak with a member of the staff at 425-255-4751.

"Jesus came near and said to them, 'All authority has been given to me in heaven and on earth. Go, therefore, and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe everything I have commanded you. And remember, I am with you always, to the end of the age.'" Matthew 28:18-20

WHAT IS THE GOSPEL?

The word gospel just means "good news." It is the central message of Christianity. It is beautiful good news for the whole world when understood in light of the reality of the bad news of sin that impacts everything.

BAD NEWS: SIN

In the beginning, God made a good world and placed mankind in charge of it. People are uniquely made to be like God – making decisions and experiencing emotions. But rather than participate with God in this responsibility that He had given us, we stopped trusting Him and rebelled against Him. When we did that, we traded life with God for death without him. But even in our sin, he promised to make it right and someday a Savior would come who would bring us, and all creation, back into right relationship with God. (Genesis 3, Romans 5:8)

GOOD NEWS: SALVATION

At the right time, God sent His Son Jesus to become a perfect man and live on earth to make everything right. Jesus lived without sin and met every standard that we need to meet. Rather than fall to temptation, He obeyed His Father all of the time. But then, rather than receiving a blessing for His obedience, He willingly went to a cross and paid the price for our sin, so that we could have life with God again.

After Jesus had been dead for three days, the Spirit of God brought Him back to life. The Father highly exalted Him, giving Him authority over everything. Jesus promised that He would return someday to judge the world, but that He would save everyone who trusts Him so that they can live with Him forever.

THE GOSPEL = BAD NEWS (WE SIN) + GOOD NEWS (JESUS SAVES)

A lot of people think that Christianity is primarily about doing something for God – that being a Christian is based on what a person does for God. But the reality is that Christianity is about what God has done for us. Even while we were sinners, God pursued us. He sent His Son to live, die and rise for us. And now He has given us His Spirit to help us follow Him (Ephesians 2:8-9).

That's the gospel. And the right response to the gospel is faith, simply believing the message.

BAPTISM

The Bible teaches about two kinds of baptism. The first is the baptism of the Holy Spirit to seal us with our new identity of being “in Christ.” The second is baptism by water where we publicly identify with God’s family.

BAPTISM BY THE HOLY SPIRIT is a special ministry of God’s Spirit. It happens at the moment of salvation. Romans 6:1–10 makes clear that if you are a Christian then you are identified or immersed into Jesus’ family. That means you are identified with Jesus and His death on the cross, His burial, and His resurrection.

SINCE JESUS CONQUERED SIN AND DEATH, HE PAID THE PENALTY FOR YOUR SINS AND GIVES YOU HIS RIGHTEOUSNESS.

BAPTISM BY WATER is done after salvation as an outward sign of the inward transformation a person has undergone. It is symbolic of Christ’s death, burial, and resurrection and now our identification with Him and placement into the family of God. It has been a normal practice of believers from the beginning of the Church in the book of Acts.

Read the following passages and write down what you observe about the people being baptized:

■ Matthew 3:13–17 | Notice Jesus’ example.

■ Acts 8:35–38 | Notice how quickly he was baptized.

■ Acts 16:13–15 | Notice how quickly she was baptized.

■ Acts 18:8 | Notice the order: heard, believed, then baptized.

Based on the passages above, what qualifies a person to be baptized?

HIGHLANDS' BELIEF'S ABOUT BAPTISM

- We believe that baptism does not make someone saved, but it is an outward action which comes after being saved. (Acts 2:41)
- Jesus showed us that baptism is a very important way a Christian can show their obedience to God. (Matthew 28:19)
- We believe that baptism by water immersion is taught in the New Testament as a symbol of our faith in Jesus Christ.
- Baptism shows others that we believe in Jesus' death, burial and resurrection.
